

**TEASE:**

**INTRO:**

Her music has been described as 'bewitching' and 'sparkling'... and listeners may recall the days when Mardi Lumsden graced the ABC Radio Brisbane airwaves as a regular guest talking all things music.

Now the award-winning local singer-songwriter is making an exciting return to music... her upcoming debut album 'Hiatus' is full of new sounds and new stories, capturing the intricacy of human nature.

I'm pleased to say she's here in the studio this morning alongside her husband, fellow creative Andrew Pennay

**NOTES:**

Album was recorded in a church

New sound, she describes as, 'sad songs that sound happy'

Husband Andrew Pennay, recorded and produced
